Important Notes / 重要事項

UBO Definition: Ultimate Beneficial Ownership is defined as a natural person who owns more than 20% of the company's shares or holds more than 20% of the company's voting rights.

Offshore Companies: When ownership can be traced to an offshore jurisdiction (BVI, Cayman, Delaware, etc.), ownership may not be disclosed from official sources. Alternative cross-border sources may be used when available.

Indirect Ownership: Indicates that the company belongs to the reported group, but the direct shareholding pattern to the parent company could not be determined.

Public Companies: Where the top level is a publicly quoted company and no individual party owns 20% or more, there is effectively no UBO.
